(D). Prepare a district map showing all village boundaries and mark the covered villages with two colours – green for adopted villages and blue for contacted villages since inception of KVK i.e during entire period of KVK in the district. Further also mark the location of KVK in the district with round dot circle (yellow colour).

District map enclosed given below.

(E) Write what criteria followed for selection of villages (not less than 5 points)

- Selection of villages based on the problem identified in the district and feasibility of the adoption of intervention
- Selection of villages based on Location specified schemes/projects
- Selection of village should be easily access to conduct the experiment
- Selection of village based on informal meeting and trainings and interest of the farmers
- Emphasis given during general meeting, viz Monthly Zonal Workshops, District farmers grievances day meetings, On campus trainings, Scientific Advisory Committee Meeting, Technology Week, farmers grievances letters.
